

Sprint V Job Simulation

Front Page

A screenshot of a web browser showing the 'Student Name Manager' application. The browser's address bar displays '127.0.0.1:5500/Sprint%20V/Job%20Simulation/index.html'. The application has a blue header with the title 'Student Name Manager' and the subtitle 'Manage your student list efficiently'. Below the header, there is a form with an input field labeled 'Enter student name...' and a blue 'Add Student' button. Below the form, it shows 'Total Students: 0', a search input field labeled 'Search students...', and a red 'Clear All' button. At the bottom, a message states 'No students added yet' with the instruction 'Add your first student using the input field above'.

Page after Inserting Student Names

A screenshot of the same 'Student Name Manager' application after several students have been added. The browser address bar remains the same. The 'Total Students' count is now 8. The list of students is displayed in a table-like format, with each student's name in a white box and 'Edit' (green) and 'Delete' (red) buttons to its right.

Sprint V Job Simulation

Page at Editing the name

The screenshot shows a web browser window with the URL `127.0.0.1:5500/Sprint%20V/Job%20Simulation/index.html`. The page features a blue header with the title "Student Name Manager" and the subtitle "Manage your student list efficiently". Below the header, there is a form with a text input field labeled "Enter student name..." and a blue "Add Student" button. Below this, it shows "Total Students: 6" and a search input field labeled "Search students..." with a red "Clear All" button. The main content area displays a list of students. The first student, "Arun V", is highlighted with a blue border, and its name is in a text input field with "Save" and "Cancel" buttons. Below it, two other students are listed: "Amal" and "Karthik", each with "Edit" and "Delete" buttons.

Student Name	Actions
Arun V	Save Cancel
Amal	Edit Delete
Karthik	Edit Delete

Page at searching for Names

The screenshot shows the same web browser window. The search input field now contains the text "ram", and the "Total Students" count has increased to 8. The list of students is filtered to show only those whose names contain "ram": "Ram charan", "Ram", and "Ramakrishna". Each student entry has "Edit" and "Delete" buttons.

Student Name	Actions
Ram charan	Edit Delete
Ram	Edit Delete
Ramakrishna	Edit Delete
